25X1A

1. This memorandum confirms our request to Headquarters, USAF for the accomplishment of the 91st periodic inspection on C-54 in accordance with T.O. 1C-54D-6.

2. Inasmuch as this Agency may have an urgent requirement for the utilization of this aircraft on short notice, it is requested that the above inspection be expedited. To this end, this Headquarters authorizes the necessary overtime, if necessary. Funds are available to cover the costs incurred as a result of the overtime request only. Funds are available for this purpose in the amount of \$2,000. Should it be determined that this amount is either appreciably too high or too low we request advise to permit funding adjustment. Costs for a routine scheduled inspection are covered under the flying hour rate.

3. Subject aircraft is available for input during period of 1-5 October 1959 and will be delivered by Agency personnel to the Air Force facility designated by the Department of the Air Force.
